OPEN CALL AND CRITERIA FOR PARTICIPATING IN THE PROJECT

WE ARE DIFFERENT WE ARE EUROPE ALL TOGETHER

All students from SEPUGS Vasil Antevski Dren are invited to take part in the project approved from our National agency for European educational programs and mobility, by applying for the first meeting on which the objectives of the project and the planned activities will be processed.

It should be noted that 75 pupils from the whole school are required to actively participate in the implementation of the activities. Preference will have the students who come from

- socially, economically and culturally disadvantaged pupils
- socioeconomically endangered families
- belong to a different ethnicity
- want to improve English language skills
- refugees, immigrant and foreign pupils
- the ones who want to learn and promote different cultures
- want to learn a new foreign language at the basic level
- want to increase their competencies in ICT technologies
- students who were not previously involved in European Union projects
- ones having entrepreneurial spirit
- students who teach what they have learned as learned individuals
- to build new friendships

Our first meeting where the students can inform themselves about the project and the activities will be on 25.10.2017 in the classroom number 6.

Those students who will be most active during the project activities and will show the greatest interest in the project will have the opportunity to participate in the mobility planned in the project.
